2.

My Mother and Dad run after Ricky to stop their child from going far down the street.

3.

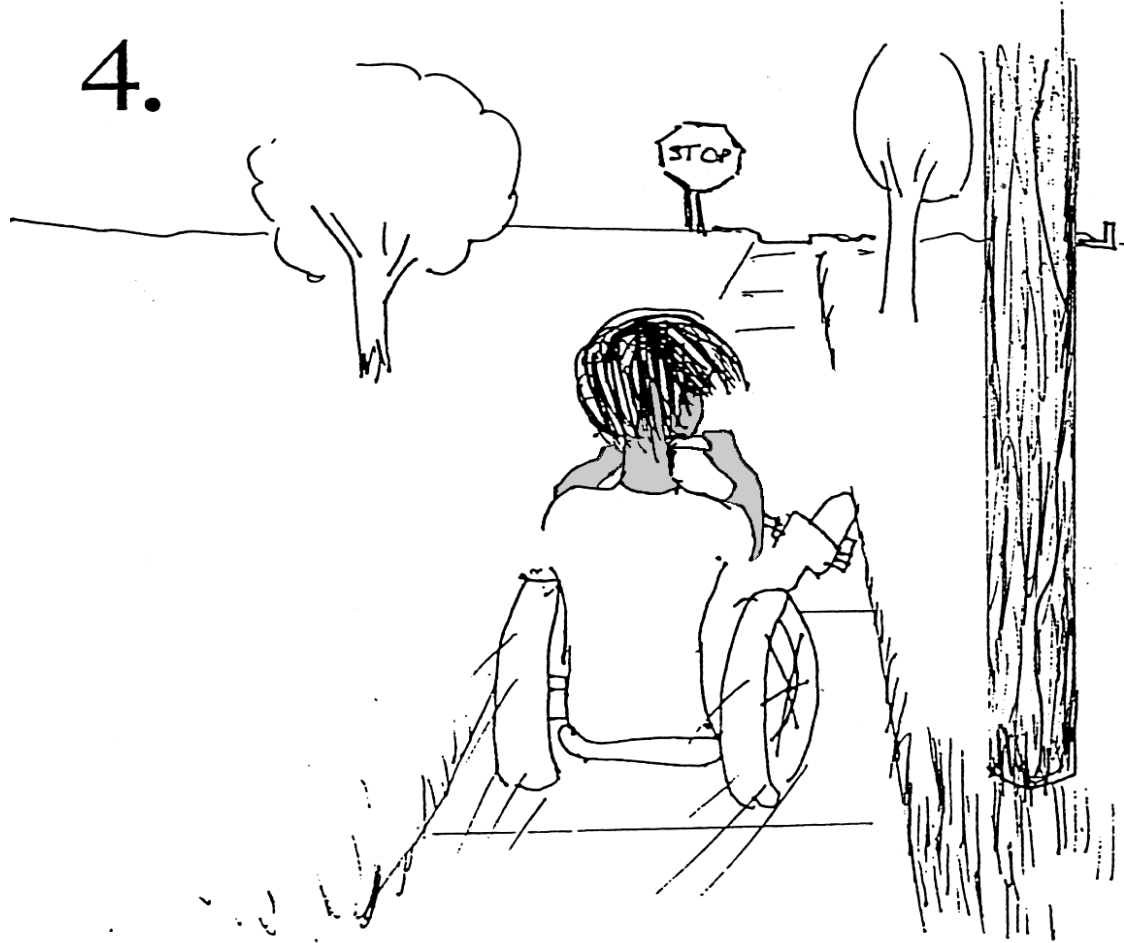

Uncle Bob runs after Ricky too! I even run after Ricky to stop him when he rides down the street. He is so much work!

1.

Ricky is two, but he can ride his bike very fast. He thinks he is big--so off he goes, very fast, riding down from the house. He does not stop! We have to sit around when Ricky plays, so he does not ride away!

4.

They all run after Ricky, but he just keeps going as fast as he can!
