4.

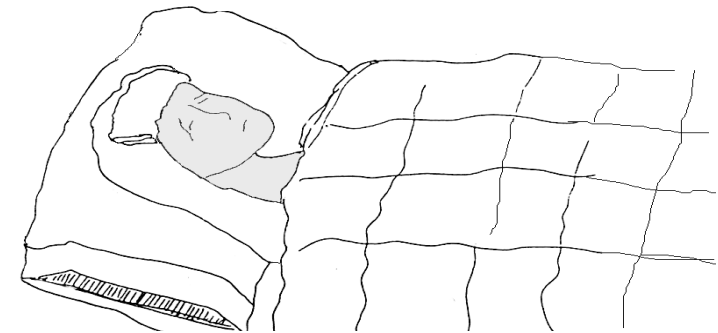

She was better after three days.

1.

My mother had a cold. She went to bed, because she had to keep warm.

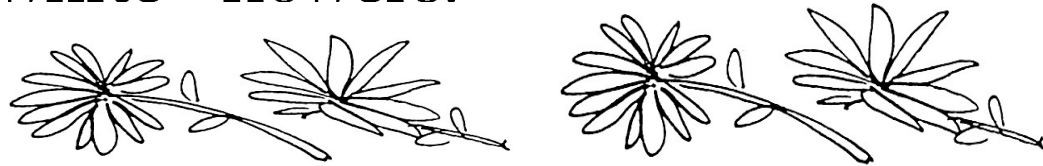

Her head was hot, and it hurt.

2.

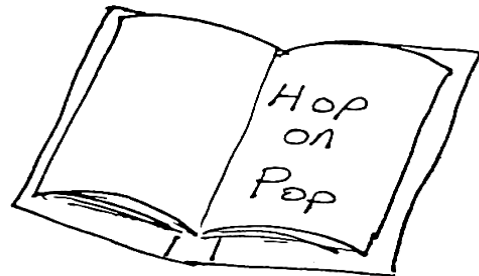

My sister and I worked together. We got her some water and a little food.

Then we got her four pretty white flowers.

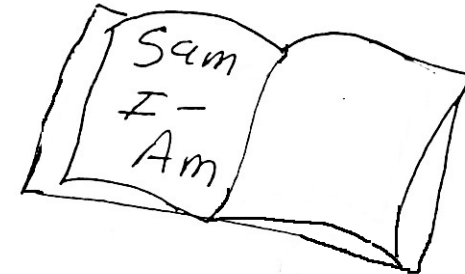

We read her a book.

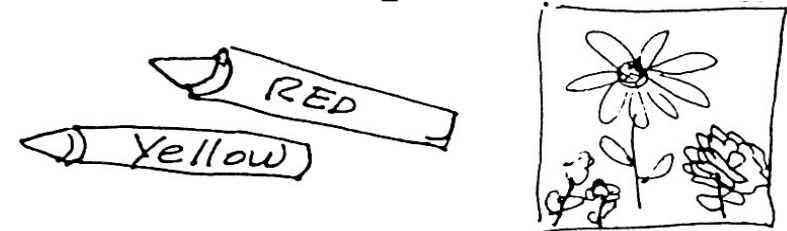

3.

We let her read us a book and tell us a story.

We let her draw a blue, green, yellow, and red picture.

We let her write some poems.
