That would be my first  
old car.

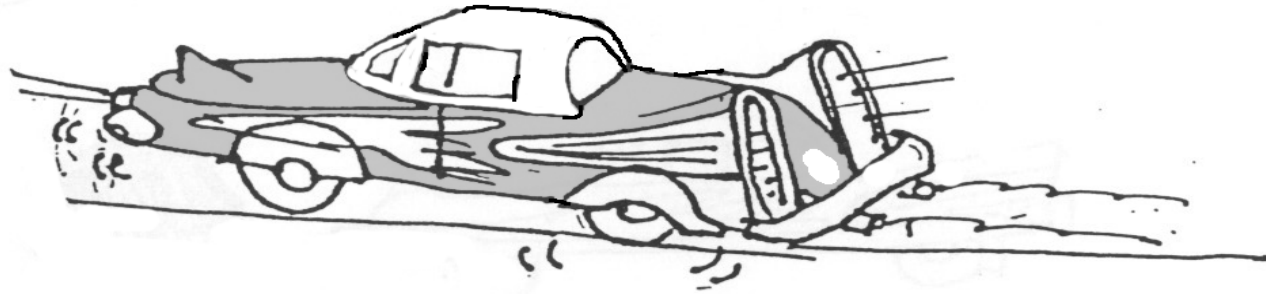

1.

I saw a funny car today.  
It made me laugh.

I wish I would see it  
again.

2.

It was a yellow and red car with a white top. I want an old car like that some day.

3.

I would pick a car that was pretty. I would work on it. My Uncle Bob would help. My brother would help too.

We would ride around and around, and we would keep it running.
